EXPERIENCES

SOFTWARE DEVELOPER INTERN JANUARY 2025 – MAY 2025

RADZTECH BUSINESS SOLUTIONS

- Developed responsive front-end components using ReactJS and Material-UI; integrated RESTful APIs and assisted with Node.js back-end functionality.
- Collaborated in an agile team environment, contributing to tasks, code reviews, and maintaining code quality via Git and pull requests.
- Gained hands-on experience with Postman for API testing and debugging, enhancing skills in full-stack development and agile workflows.

LEAD DEVELOPER AUGUST 2024 – JANUARY 2025

BARANGAY DISTRICT 1, SAN MANUEL ISABELA

- Developed and deployed an Integrated Barangay Information System with GIS features, using C# .NET for desktop and HTML, JavaScript, PHP, and MUI for web platforms.
- Designed and implemented core modules for GIS mapping, resident profiling, document requests, email-based services, and AI-powered chatbot assistance.
- Utilized MySQL for backend operations with full CRUD functionality, data validation, role-based access control, and a user-friendly, responsive UI/UX for barangay officials.

IT STUDENT ASSISTANT AUG 2023 – DEC 2023

OUR LADY OF PILLAR COLLEGE SAN MANUEL INC.

- Provided technical support and helped manage campus IT resources. Gained hands-on experience in troubleshooting and system maintenance.
