SUMMARY

Passionate and driven programmer with a solid foundation in software development, committed to creating efficient solutions and continuously learning emerging technologies. Thrives in collaborative environments and applies innovation to real-world challenges.

EXPERIENCES

SOFTWARE DEVELOPER INTERN

JANUARY 2025 – MAY 2025

📍 RADZTECH BUSINESS SOLUTIONS

- Developed responsive front-end components using ReactJS and Material-UI; integrated RESTful APIs and assisted with Node.js back-end functionality.
- Collaborated in an agile team environment, contributing to tasks, code reviews, and maintaining code quality via Git and pull requests.
- Gained hands-on experience with Postman for API testing and debugging, enhancing skills in full-stack development and agile workflows.

LEAD DEVELOPER (VOLUNTEER)

AUGUST 2024 – JANUARY 2025

📍 BARANGAY DISTRICT 1, SAN MANUEL ISABELA

- Developed and deployed an Integrated Barangay Information System with GIS features, using C# .NET for desktop and HTML, JavaScript, PHP, and MUI for web platforms.
- Designed and implemented core modules for GIS mapping, resident profiling, document requests, email-based services, and AI-powered chatbot assistance.
- Utilized MySQL for backend operations with full CRUD functionality, data validation, role-based access control, and a user-friendly, responsive UI/UX for barangay officials.

IT ASSISTANT

AUGUST 2023 - DECEMBER 2023

📍 OUR LADY OF PILLAR COLLEGE SAN MANUEL INC.

- Provided technical support and helped manage campus IT resources. Gained hands-on experience in troubleshooting and system maintenance.

TECHNICAL SKILLS

Desktop Development: C# (.NET), Java, ASP.NET, VB.NET

Web Development: HTML5, CSS3, JavaScript, React.js, Bootstrap, PHP, Node.js, MUI

Database: MySQL

Other Tools: Git, GitHub, GitLab, NPM, Postman, Figma, Canva, MS Office, VS Code, Discord, Navicat, Xampp
